## **Educating for Sustainability Conference Scholarship October 25 – 27, 2007 at University of Arizona Campus**

This year the Arizona Association for Environmental Education (AAEE) is privileged to receive significant funding from both the National Wildlife Federation and Arizona Wildlife Foundation to support 80 applicants to the Annual Conference at UA.

Scholarships are first come, first served to educators in a variety of educational settings. Recipients will be determined by the AAEE Conference Scholarship Committee. Please note that membership dues of \$25 will be covered by the scholarship but not the parking fee (\$5).

To be considered for a scholarship, please provide the following information on no more than one page of a Word document to be transmitted via email.

1. Name, Affiliation, Work Address, City, State/Province, Zip/Postal Code
2. Daytime phone, fax, e-mail (notification will be via e-mail)
3. Have you ever attended an AAEE annual conference? If yes, which year?
4. Have you ever been awarded an AAEE scholarship?
5. Describe briefly how the information you hope to gain at the conference will contribute to your professional goals.
6. What is your experience in environmental education?
7. How you will share knowledge and experience gained when you return home.
8. Explain why you need financial support.
9. If you are awarded a scholarship, will you be willing to continue as a dues-paying member and stay active with AAEE for at least two years?

### **Deadline**

Applications must be received electronically no later than October 15, 2007. Notifications will be given by email on or before October 22, 2007. If you are NOT accepted to receive a scholarship and still wish to attend the conference AAEE will allow you to register at the member rate (\$100). Scholarship applicants will be notified by email on or before October 22, 2006.
